

“Don’t Throw It Out”

Submit your reused or repurposed trash creation as a featured item in the publication “Don’t Throw It Out: Reuse ideas for the classroom.”

It’s easy. Take digital pictures of as many items that you have reused in your classroom and email them to us.

Include the item’s use, what it is made of and how long its been reused. Also, your name and school and what classroom category it fits in:

- arts & crafts
- games
- displays
- activities
- organization

Submissions will be accepted until November 15, 2010. They can be emailed to Kathleen at krocco@cuyahogacounty.us. You will be contacted if your submission is used. Thank you.
