**AND/
OR**

Purchase a Compost Bin for \$50

Wishing Well
Composter
135 gallons

Ultimate Dirt Machine
Digester
80 gallons

Learn about composting and rain barrels!!

Rain Barrels help to combat storm water pollution in your community and give you a fresh source of free water for your plants.

Workshop participants will construct a rain barrel to take home.

Composting is a great way to keep organic materials out of landfills and an inexpensive way of adding nutrients back into your soil.

Register by March 14th:
