Decorate coffee jackets made out of used cereal boxes and thin cardboard boxes. This is a easy family, troop or classroom project.

1. Collect box board from cracker, cereal or pasta boxes.
2. Get a coffee jacket, open it up and trace the pattern onto your box board.
3. Cut out the jacket.
4. Decorate it with environmental messages and include your organization's name.
5. Fold and glue ends together.
6. Drop off at the coffee shop.
